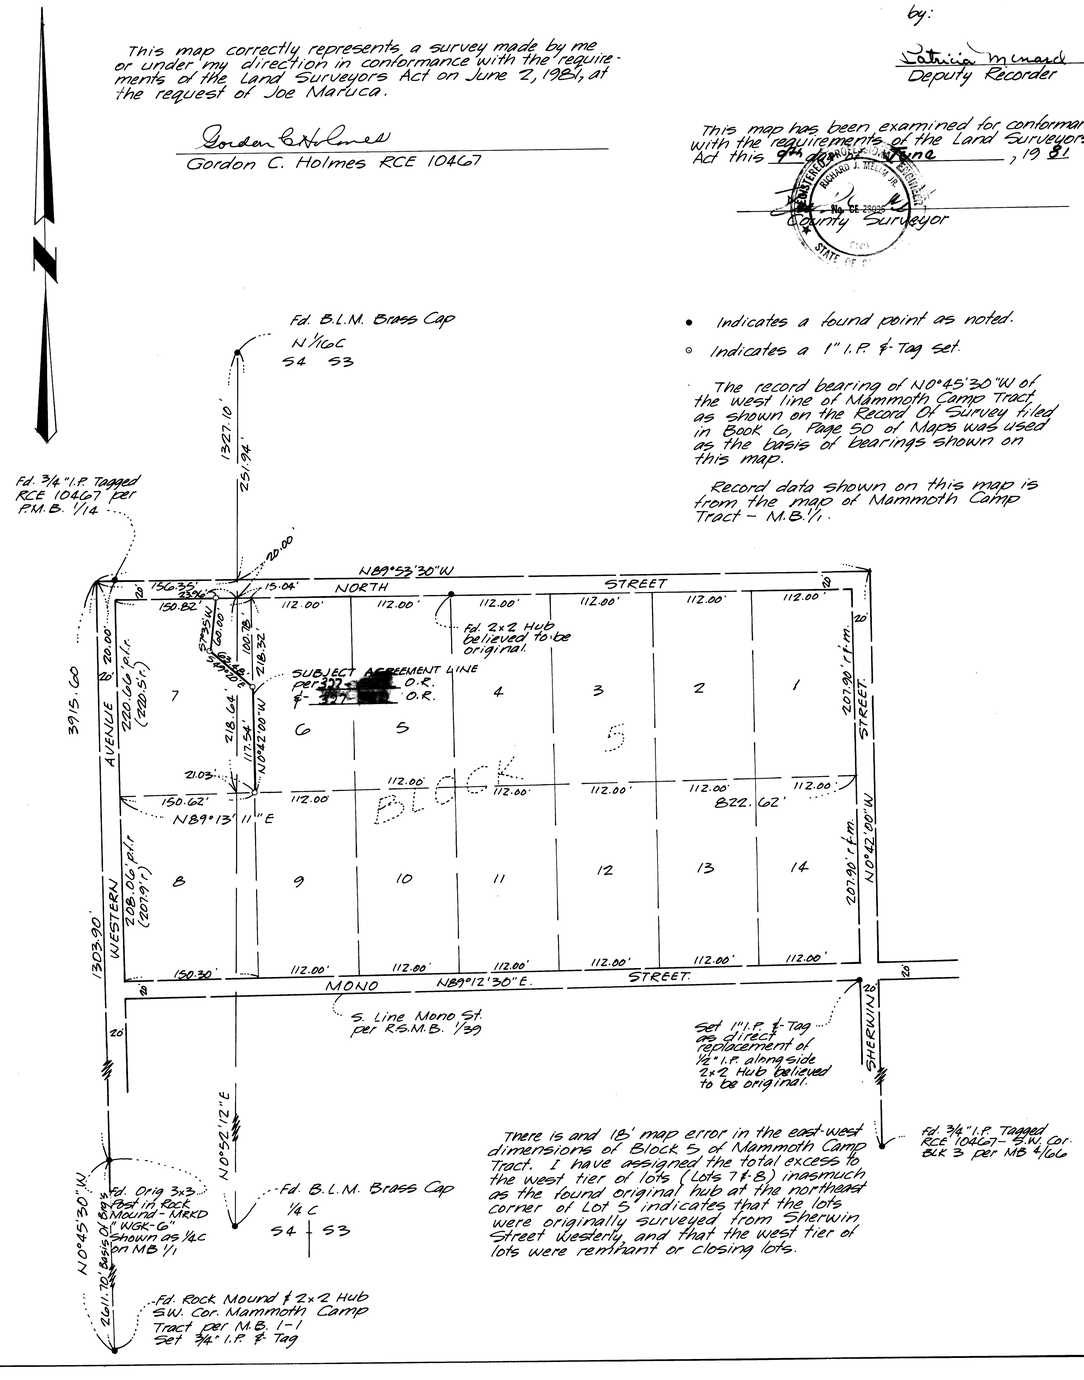
- Indicates a found point as noted.
- Indicates a 1" I.P. & Tag set.

The record bearing of N0°45'30"W of the west line of Mammoth Camp Tract as shown on the Record Of Survey filed in Book 6, Page 50 of Maps was used as the basis of bearings shown on this map.

Record data shown on this map is from the map of Mammoth Camp Tract - M.B. 1/1.



There is and 18' map error in the east-west dimensions of Block 5 of Mammoth Camp Tract. I have assigned the total excess to the west tier of lots (Lots 7 & 8) inasmuch as the found original hub at the northeast corner of Lot 5 indicates that the lots were originally surveyed from Sherwin Street westerly, and that the west tier of lots were remnant or closing lots.
