CERTIFICATE OF CORRECTION
COUNTY OF MONO
STATE OF CALIFORNIA

The following correction is hereby made to Document Number 2006006371, and as the map filed in Book 4, Pages 158-158B of Parcel Maps in the office of the Recorder of said Mono County.

The "Notice on Future Development" notation shown on Parcel Map Book 4, page 158B (sheet 3 of 3) is no longer applicable, and the related Map Condition #29 has been satisfied.

This is due to the February 2009 Mono County Planning Commission and Board of Supervisors amendment to the Antelope Valley Area Plan to reflect that "proposed parcels that have existing street frontage with existing power lines on either side of the street shall not be conditioned with bringing conventional power across the street or onto the property." In spring of 2012, the Planning Commission and Board agreed that this policy should apply retroactively to this Parcel Map because of existing power lines along Larson Lane. Reference is also made to the "NOTICE OF COMPLETION," recorded as Mono County Document #2012002583, dated 5/16/2012.
